Our Mission is to alleviate hunger in the Inland Empire.
MEET LESLY

THANKS TO YOUR SUPPORT, LESLY’S FAMILY HAS THE MEALS THEY NEED TO FEED THEIR FAMILY.

Lesly used to work night shifts while her husband worked day shifts to sustain an income for their family of 7.

Unfortunately, in 2018, Lesly lost her job. Lesly’s family was faced with a tough decision – to put food on the table or provide shelter for their family.

However, with the help of Feeding America Riverside | San Bernardino (FARSB), Lesly and her family were able to find assistance with one of the over 400 local, non-profit partners of FARSB.

Through the help of our supporters and food donors, we were able to help Lesly and her family during their time of need.

A MESSAGE FROM OUR PRESIDENT

An estimated 726,000 people live below the poverty line in the Inland Empire. That’s around 16% of our neighbors, teachers, veterans, seniors, children, and families that are at risk of being hungry.

However, FARSB is making a difference and having an impact. With our Kids Produce Markets, School Pantry Program, Mobile Distributions, Tools for Teachers, and so much more, we are providing second chances, fresh starts, and giving HOPE to those who need it most.

We distribute over 2 million pounds of food each month into the community, and we couldn’t do it without you. Thanks for your support. It is always appreciated.

In Gratitude,

Stephanie Otero
President & CEO, Feeding America Riverside | San Bernardino
