FOR IMMEDIATE RELEASE

Feeding America Riverside | San Bernardino brushed up for their 2nd annual Paint the Bank Event!

(Riverside, CA – May 9, 2023) – Feeding America Riverside | San Bernardino (FARSB) added a splash of color this spring during their 2nd Annual Paint the Bank Event on Saturday, April 8th and Friday, April 28th.

This year we wanted to do something different. Something with a touch of our community. San Manuel Band of Mission Indians painted a large FARSB “butterfly” with orange slices as its wings for a fun social media wall for all visitors and volunteers to take photos with. Molina Healthcare painted an orange tree to represent our region and its local orange groves.

Special thanks to our wonderful sponsors, San Manuel Band of Mission Indians and Molina Healthcare, for completing the two new murals within our food bank. Also, to Sherwin Williams for providing the paint for the projects. Next time you visit, don’t forget to take a photo with one of our many murals!

For more information regarding Paint the Bank, visit our website at feedingie.org/paintthebank

About Feeding America Riverside | San Bernardino

Feeding America Riverside | San Bernardino (FARSB) is leading the fight against hunger in the Inland Empire by providing food access, emergency relief, education, and advocacy to families in Riverside and San Bernardino Counties. FARSB opened in 1980 as Survive Food Bank in response to the increasing concern about the dual problems of hunger and food waste in the Inland Empire. Today, FARSB is the primary food source for over 250 local nonprofit organizations, distributing over two million pounds of food monthly to emergency food pantries, soup kitchens, high-need elementary schools, senior centers, after-school programs, and more. With the help of these

community partners, they make up the largest hunger-relief organization serving Riverside and San Bernardino Counties, ultimately making food security a reality for over 1.2 million people every year. Feeding America Riverside | San Bernardino proudly holds the 2022 Guide Star Platinum Seal of Transparency, the highest level of transparency achievable through Guide Star. For more information, visit www.FeedingIE.org.
