Kids Nutritious Education Program**

(Riverside, CA – February 10, 2023) – The Goodness in Food, known as (TGIF) is coming back this Spring 2023! Feeding America Riverside | San Bernardino (FARSB) will once again open its doors to engage up to 40 grade K-2 students through interactive lesson plans on reducing food waste and long-term solutions to hunger.

With classes beginning March 4th, children in grades K-2 can enroll in the TGIF program today! Participating children will spend four consecutive in-person Saturdays with the food bank, with lessons ranging from 45 minutes to 1 hour. At the end of the session, students will enjoy a special day at a local garden where they'll spend an afternoon planting and harvesting fruits and vegetables.

Registration and a commitment to completing the program is required. For more information on this exciting opportunity, please visit www.FeedingIE.org/tgif or contact Jacqueline Arias at jarias@feedingamericaIE.org.

About Feeding America Riverside | San Bernardino

Feeding America Riverside | San Bernardino (FARSB) is leading the fight against hunger in the Inland Empire by providing food access, emergency relief, education, and advocacy to families in Riverside and San Bernardino Counties. FARSB opened in 1980 as Survive Food Bank in response to the increasing concern about the dual problems of hunger and food waste in the Inland Empire. Today, FARSB is the primary source of food to over 200 local nonprofit organizations, distributing over two million pounds of food monthly to emergency food pantries, high-need elementary schools, senior centers, after school programs, and more. With the help of these community partners, they make up the largest hunger-relief organization in the Inland Empire, making food security a reality for over 1.2 million people every year.
