FEEDING AMERICA RIVERSIDE | SAN BERNARDINO AND DISNEY TEAM UP TO PROVIDE FRESH PRODUCE

Riverside, CA (June 22, 2020) – Regional food bank, Feeding America Riverside | San Bernardino (FARSB) has teamed up with Disney to provide fresh produce to children in need of nutritious food in Riverside and San Bernardino Counties.

“For many children in the Inland Empire, produce is not attainable,” said Stephanie Otero, CEO at FARSB. “We are grateful for Disney’s support for our efforts to provide children with the vital nutrients needed to learn, grow, and live a healthy lifestyle,” said Otero.

FARSB provided food to over 1.5 million people in 2019, and continues to provide hope through their signature programs, including the Kids Market, school pantry, and HERO (Home Emergency Response Outreach) programs.

About Feeding America Riverside | San Bernardino

Feeding America Riverside | San Bernardino (FARSB) is leading the fight against hunger in the Inland Empire by providing food access, emergency relief, education, and advocacy to families in Riverside and San Bernardino Counties. FARSB opened in 1980 as Survive Food Bank in response to the increasing concern about the dual problems of hunger and food waste in the Inland Empire. Today, FARSB is the primary source of food for over 250 local nonprofit organizations, distributing over 2 million pounds of food monthly to emergency food pantries, homeless shelters, soup kitchens, high-need elementary schools, halfway houses, senior centers, residential treatment centers, shelters for the abused, after school programs and group homes. With the help of these charity partners, we make up the largest hunger relief organization in the Inland Empire, making food security a reality for over 1.2 million people every year.
