

2023-2024 ANNUAL REPORT

WE

FEED THE
INLAND
EMPIRE.

WORDS FROM OUR LEADERSHIP

CREATING A STRONGER COMMUNITY, ONE MEAL AT A TIME.

Dear Neighbors and Hunger Relief Advocates,

As we reflect on the 2023-2024 fiscal year, we are filled with immense gratitude and excitement for the milestones we have achieved together at Feeding America Riverside | San Bernardino (FARSB). This year, we took a monumental step forward by acquiring a second building—our first owned space. This expansion reflects our commitment to creating a welcoming environment where we can better serve our neighbors.

Our new space allows us to:

- Provide a dedicated resource center for families applying for CalFresh assistance.
- Establish a learning hub to support partner training and expand our child education program, The Goodness in Food (TGIF).
- Strengthen healthcare collaborations through our referral program, connecting food-insecure families to our grocery store-style pantry.
- Connect families to wrap around services that help break the cycle of hunger.

This has been a labor of love, but more importantly, it marks a transformative shift in food banking—one that prioritizes dignity, respect, and community-driven solutions while celebrating the diversity of those we serve.

As always, we remain committed to cost-efficient, donor-intended service, ensuring that every dollar entrusted to us has the greatest possible impact. With the rising demand for food assistance, we continue to seek innovative ways to serve. A \$20 monthly donation provides up to 100 meals each month, proving that contributions of any size can create meaningful change.

Together, we are building a future where every neighbor has access to nutritious food, support, and hope. Thank you for being part of this journey with us.

Please enjoy our FARSB Fiscal Year 2023-2024 Annual Report.

With gratitude and hope for a nourishing future,

Carolyn Fajardo

PARTNERING FOR COMMUNITY SUCCESS

Through grant funding, FARSB provided numerous community partners the tools to strengthen their participation in the Retail Rescue program. This support notably included the acquisition of a RAM Promaster 2500 refrigerated cargo van for Rancho Damacitas Community Mission of Hope, now known as “Mission Hope.”

Since joining Retail Rescue, Rancho Damacitas Community Mission of Hope has rescued over 3.3 million pounds of food, preventing it from ending up in a landfill and helping to feed the Inland Empire.

The van, symbolizing a collective commitment to ending hunger, was designated to support local communities before finding its rightful home with Rancho Damacitas. The gift was unveiled at their Hunger to Hope Gala, where they successfully raised over \$100,000 to support their food and housing programs in the Temecula region.

This collaboration reflects the power of community partnerships in the fight against hunger, ensuring that rescued food reaches those who need it most.

KITCHEN ARCHIVES: VOICES OF THE COMMUNITY

Everyone deserves access to fresh, nutritious food, no matter their circumstances. Through our Feeding Seniors and Veterans pillar, we are dedicated to addressing food insecurity in the Inland Empire by ensuring that older adults and veterans receive high-quality, nourishing food.

The true impact of our work is best told by those who benefit from it. Silvia Ortiz, a recipient of our Senior Mobile Pantry Program (SMPP), shared how the program eases financial stress:

“This program is special because it helps people access nutritious food without worrying, ‘If I buy groceries for the week, will I have enough to pay my bills?’ This market allows us to have a meal and not go hungry.”

Linda Magdalano, another SMPP recipient, emphasized how the program brings joy and relief to families:

“It helps tremendously. The kids come to the house, and they’re ecstatic! Everything we get, we try to cook.”

Silvia and Linda’s stories are reminders of why fighting food insecurity is essential. Access to nutritious food shouldn’t be a struggle. With the continued support of our community, we can provide life-changing resources to those who need them most.

Together, we can make a lasting impact—one meal at a time.

“It helps tremendously. [The] kids, they come to the house and they’re ecstatic! Everything we get, we try to cook.”– Linda Magdaleno

KITCHEN ARCHIVES: BROADENING HORIZONS

Nestled in the heart of San Bernardino, Disabled American Veterans Chapter 12 (DAV12) stands as a beacon of hope and support for local veterans and their families. Dedicated to improving the quality of life for those who have served our country, DAV12 goes beyond advocacy by ensuring veterans have access to essential resources.

Since 2020, DAV12 has partnered with FARSB through our Feeding Seniors and Veterans pillar as part of the Military Veteran Program (MVP). As the second largest distribution site, they serve 190 households monthly, ensuring veterans have access to nutritious food.

Beyond food assistance, DAV12 works to improve the quality of life for veterans, providing no-cost support to help them receive benefits, advocating for better legislation, and honoring the sacrifices made by service members.

DAV12 also supports families of fallen soldiers through the Disabled American Veterans Auxiliary (DAVA) ensuring spouses and dependents receive the assistance they need. Their work embodies dignity, respect, and unwavering support for those who served.

"Feeding America Riverside and San Bernardino directly impacts our veteran community through their monthly food donation and holiday meal distribution. We truly appreciate their partnership. Without them, none of this would be possible," said Commander Jose Mendoza, DAV12.

We are grateful for partners like DAV12, who go above and beyond to serve those who have served our country.

Thank you, DAV12!

SPECIAL THANKS

Our most heartfelt thanks go to the key donors who support our mission. Thank you **The Rauch Family Foundation, Inland Social United Way and Riverside County Nonprofit Assistance Fund,, Inland Empire Community Foundation, Goodman North American Management LLC, Albertsons Companies Foundation, and DCH Subaru of Riverside** for continuously believing in our vision of a hunger-free Inland Empire.

PARTNERING FOR COMMUNITY SUCCESS

In March 2024, Feeding America Riverside | San Bernardino proudly opened its new administrative office on Trail Creek Road—a milestone in our mission to fight hunger and serve our community more effectively.

Our opening week was filled with smiles and open arms as we welcomed guests into this innovative space. This new resource hub strengthens our ability to provide essential services, including our CalFresh office, where individuals and families can receive hands-on assistance with applications, and the Fresh Start Pantry by Goodman.

As a referral-based pantry, The Fresh Start Pantry celebrates diversity and inclusivity, allowing families to choose foods that align with their cultural preferences, dietary restrictions, and personal needs—all while reducing food waste. This initiative will create a dignified shopping experience for those facing food insecurity.

We extend a heartfelt thank you to our planning team, generous donors, and community partners who helped turn this vision into reality. As we continue expanding our impact, we invite you to join us—whether through volunteering, donating, or advocating—to help nourish our community and create lasting change!
